Microware launches Market Place and CSP Portal to improve customer's experience with Microware's purchase, product and service management and support.

## Market Place

(URL: <https://cloud.microware.com.hk>)

Microware's Market Place is where providing products and services information to let you discover, inquire and to place your subscription. You may always click on  , so that you can send message to Microware and our sales representative will contact you shortly for follow-ups. Contact us now!

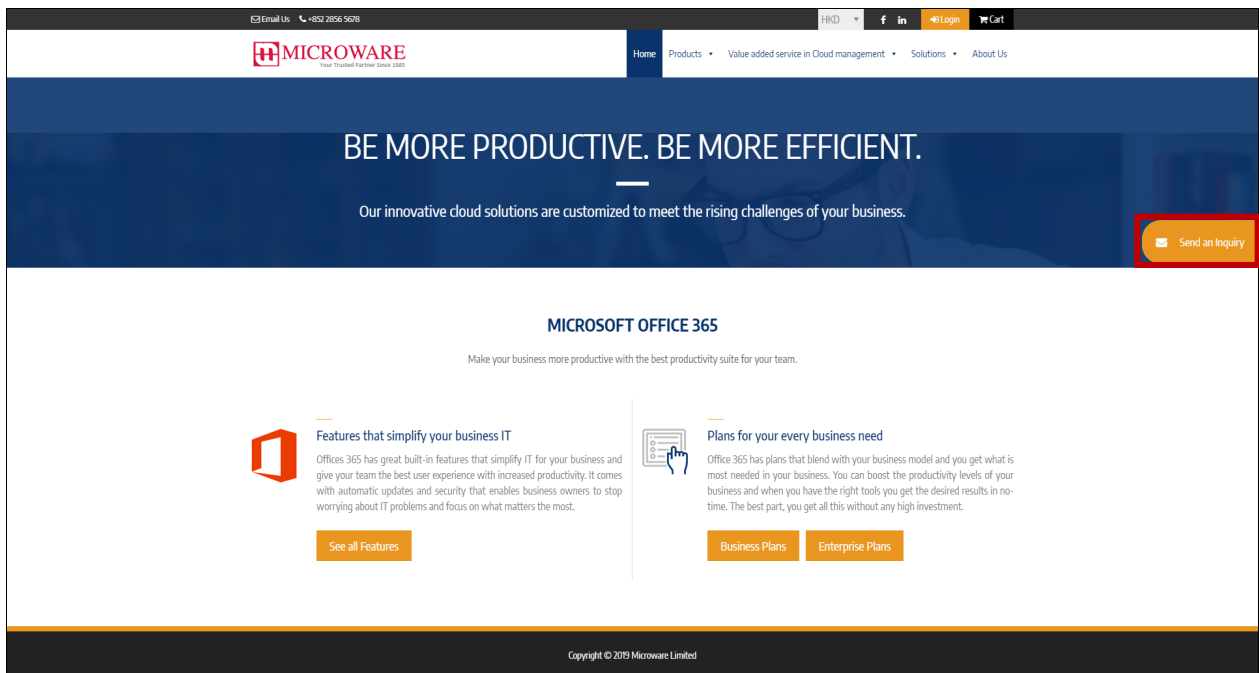

The screenshot shows the Microware website interface. At the top, there is a navigation bar with the Microware logo, contact information (Email Us, +852 2856 5678), a language selector (HKD), social media icons (Facebook, LinkedIn), a Login button, and a Cart icon. Below the navigation bar is a main banner with the text "BE MORE PRODUCTIVE. BE MORE EFFICIENT." and "Our innovative cloud solutions are customized to meet the rising challenges of your business." A "Send an Inquiry" button is highlighted with a red box. The main content area features a section for "MICROSOFT OFFICE 365" with the subtext "Make your business more productive with the best productivity suite for your team." This section is divided into two columns: "Features that simplify your business IT" and "Plans for your every business need". The "Features" column includes a sub-section "Features that simplify your business IT" with a description of Office 365's built-in features and a "See all Features" button. The "Plans" column includes a sub-section "Plans for your every business need" with a description of Office 365's plans and two buttons: "Business Plans" and "Enterprise Plans". The footer of the page contains the copyright notice "Copyright © 2019 Microware Limited".
